Town Guide Welcomes you to Wootton Bassett

Wootton Bassett's latest Town Guide is bright, interesting and informative. Brought together through the collaboration of Wootton Bassett Town Councillors, local residents and the Wootton Bassett Camera Club, who supplied some stunning photographs, it is available now, free of charge.

With a pleasing glossy finish the booklet is an interesting read featuring the town's many merits and amenities, ranging from the history and tradition of the 17th Century Town Hall and award winning Town Crier, to the vibrancy and beauty of the weekly and monthly markets and local fauna and flora inhabiting Jubilee Lake and the Wilts & Berks Canal.

"The *Welcome to Wootton Bassett* guide is available from the library, town museum, and council offices at 117 High Street," says Councillor Linda Frost, who helped with its production, "We hope you will enjoy the guide and share it with friends and family, which will then encourage them to visit our very special town."

Attractively designed and easy to read the Town Guide's overall impression is certainly welcoming, making it perfect for residents and visitors alike. Providing an excellent presentation of the town, it includes a handy pictorial map and view of Wootton Bassett, which encourages tourists to the town. A copy of the Wootton Bassett Walkers Guide, also free, is a good accompaniment.
