1. APOLOGIES

2. DECLARATIONS OF INTEREST

To receive Declarations of Interest in accordance with the Local Authorities [Model Code of Conduct] Order 2007.

3. WILTSHIRE COUNCIL CAMPUS PROPOSAL

Wootton Bassett Town Council has been considering its position with regard to the Wiltshire Council Campus Project.

Appendix A is a letter sent by the Town Clerk to Canon Thomas Woodhouse, Chair of the Community Operations Board, which summaries the Council's position based upon resolutions already passed.

The letter does not commit the Town Council to expenditure of the funding detailed, but does give a clear indication of intent to the Community Operations Board, based upon information that the Town Council has already reviewed at its meetings.

At a meeting held on Wednesday 27th July 2011, Councillors were given the opportunity of reviewing all of the options considered over what has now been a number of years.

The Council is now asked to receive a brief summary presentation from the Town Clerk, and then provide a steer as to the direction it wishes to take in respect of both Office and Meeting accommodation in the future. It should be noted that in passing such a resolution, the purpose is to provide steer for future discussions and negotiations and will not

commit the Council at this stage, but will allow for Officers to focus limited resources on the desired direction of travel.

The Council's instructions are sought.

4. MOTHER'S DAY RIDE OF RESPECT

The organisers of the Mother's Day Ride of Respect are looking to organise a repeat for next March. Before doing so, they are approaching the Town Council to see if this would be welcomed or whether the town would now prefer for the ride to go to another location, given that repatriations no longer pass through the town.

The Mayor would appreciate a steer on this before he replies to the organisation.
